A subtitle that defines me

ACE

Ace in popular culture is defined as someone who is capable of doing a bunch of different things and doing them well. I am not a big fan of labels or moulds so I want to be someone who can never be reduced to one thing.
1 thing I am proud of

**Being creative despite anxiety**

My anxiety is as much part of every decision of my life as the intent so I feel most proud of letting creative pursuits keep me strong and hopeful. Despite how exhausting anxiety can make your daily functions, making and creating things is what kept me hopeful.
